

1. Scope of Work:

- **Website UI:**
 - The existing website user interface (UI) will remain unchanged.
 - We will ensure that the UI remains as per the current design to maintain brand consistency.
 - **Backend Development and Enhancements:**
 - Development and optimization of backend functionality to ensure seamless performance.
 - Database enhancements, security improvements, and performance optimizations.
 - Enhancements to ensure the backend supports future scalability and new features as required.
 - **Merger with Existing Application:**
 - Integration of the current website with another existing application to ensure smooth data transfer, synchronization, and functionality across both platforms.
 - This will include software fees for the necessary tools or licenses required for the merger.
 - Ensuring robust API integration and backend communication for data consistency.
 - **Hosting Services:**
 - 2 years of secure and reliable hosting with necessary support.
 - **Optional 5 years of hosting** available for an additional ₹22,000.
-

2. Project Deliverables:

- Website will maintain its current UI and design.
 - Fully optimized backend systems with improved functionalities.
 - Seamless integration and merger with the fees software.
 - 2 years of hosting services.
 - **Option for 5 years of hosting** at an additional cost of ₹22,000.
-

3. Total Cost:

- **Total Cost (2 Years Hosting including): ₹1,30,000 INR**
 - **Optional Additional 3 Years of Hosting: ₹22,000 INR**
-

4. Timeline:

- The project will be completed in a timeline of **65 days*** from the start date.

5. Payment Terms:

- **30% advance** payment upon approval of the quotation to begin the project.
- **70% upon completion** of the project, prior to final delivery.

6. Terms and Conditions:

- The project will begin upon receipt of the signed agreement and the advance payment.
- Hosting will be provided for a period of 2 years, with the option to renew for 5 years at an additional cost of ₹22,000.
- Any additional work beyond the described scope may be subject to additional charges.
- The software fees for the merger integration will be specified in the final agreement and may vary based on the tools or software licenses required.

We look forward to collaborating with you on this project. Should you have any questions or need further clarification, feel free to contact us.
